

Medium Duty Ovens & Ranges

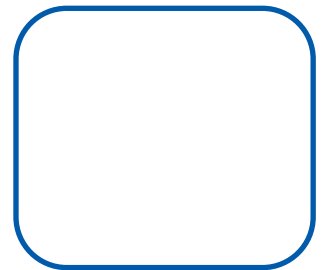

When quality, performance and value for money are your top most priorities, Lincat's medium duty ovens and ranges provide them in full measure.

Easy cleaning features strongly in the design and, coupled with the robust and sturdy full stainless steel construction, these units will cope with the day to day demands of the busiest kitchens.

The LMR9 boasts extremely powerful hob burners and all models offer sizeable ovens, with enamelled interior and removable base plate, providing all the capacity you need – reliably, efficiently and safely.

Removable oven base

Large capacity oven easily accommodates 2 x 1/1GN containers per shelf
