

MB31121/A700 - FriFri Vision 311 Electric Built-in Single Tank Fryer - 1 Basket - W 300 mm - 15.0 kW

The FriFri 15kW Vision 311 Built-In Fryer comes with adaptive cooking technology and 19 pre-set cooking programmes, meaning you can have your most inexperienced staff operating it and still achieve perfect, great tasting fried food.

- ✓ Producing consistently perfect, great tasting fried food has never been so effortless
- ✓ Touchpad operation and highly responsive digital electronic control able to maintain oil to +/-1 °C of the temperature selected
- ✓ Vertically coiled element for greater surface contact with oil, delivering fast recovery and preventing oil from scorching and degrading
- ✓ 19 preset cooking programmes make it easy to assign menu items
- ✓ Integral gravity filtration extends oil life by up to 75% saving you money on oil purchase and disposal costs. Optional xFri[®] integrated oil pump and filtration system, increases efficiency, convenience and safety while extending oil life and saving you money
- ✓ Available with optional LiftFri[®] automatic basket lifting system for failsafe frying
- ✓ Pressed tank for strength and durability. Radiused corners for easy cleaning. Hinged elements with two tilt positions for draining and cleaning
